

Cia Klinta met Veronica Sherborne in a weekly course in 1986 and after that Veronica was her mentor for five years. Cia has been working with SDM in education for over 30 years: with deaf children, mainstream children, children and adults with multiple learning disabilities and dyslexia. She has also worked with students at the Physical Teacher Education program in Stockholm as well as many practicing teachers.

In 1994, Cia started the Swedish Sherborne Association in Stockholm. She has written books about Sherborne movement, which is translated also into Portuguese.
