Welcome to Wills Hall

Wills Hall is the oldest University Hall of Residence in Stoke Bishop. Built of stone around a 19th century house and set in beautiful grounds on the edge of the Downs. It has spectacular views and excellent facilities. While the original Hall and quadrangle echo the traditions of academia, modern accommodation and a conference centre were added in 1990. This development provides a large fully-equipped meeting room and bedrooms with ensuite bathrooms – a combination of today's amenities with the richness of history.

The following page provides you with all of the information required prior to arrival. If you cannot find the information you need, please do not hesitate to contact the Conference Office — we are happy to help!

The following route to Wills Hall from the local motorways is recommended. Whilst we appreciate that if approaching Bristol from the east, this route is slightly further than others, we believe that it is by far the easiest to follow.

Exit at Junction 17, and follow signs for Bristol Zoo via A4018 (local road names, in order of appearance: Cribbs Causeway, Wyck Beck Road, Passage Road, Brentry Hill, Falcondale Road, Westbury Road) until you reach the White Tree Roundabout at the Downs.

At White Tree Roundabout turn right onto Parry's Lane. You will see the gateway for Wills Hall on the left hand side after approx. 150 metres.
